

SHURE

AONIC 215 TRUE WIRELESS SOUND ISOLATING™ EARPHONES, GEN 2

TRUE WIRELESS FREEDOM WITH SHURE QUALITY SOUND.

Engineered from decades of experience supporting music legends, the second generation of the AONIC 215 True Wireless Sound Isolating™ Earphones feature studio sound quality in a small package. Experience exceptional comfort, water resistance and a secure fit with an uninterrupted, world-class listening experience and total control wherever you go.

FEATURES & BENEFITS

Awe-inspiring, true wireless audio with clear sound and deep bass. Engineered from decades of experience supporting music legends.

Sweat and water resistant with an IPX4 Rating. Designed to pass rigorous quality and durability testing to ensure they'll maintain peak performance.

Secure, close-fit design. Built with the same low-profile design musicians use for monitoring on-stage. Your earphones stay in place with an over-ear hook providing unmatched, long-wearing comfort even during high-energy activities.

Sound Isolating™ technology blocks up to 37 dB of noise to eliminate distractions. Enjoy the most immersive listening experience no matter where you are.

Environment Mode. Hear the outside world with the push of a button.

Up to 32 hours total battery life. Uninterrupted audio wherever you are – on the train, in the gym, or at home. The earphones hold up to 8 hours of battery at a time and the included carrying case provides three additional charges.

Customizable Hardware EQ. Choose from multiple presets, or create your own custom EQ and load it to your earphones using the PLAY app.

Enjoy clear, stereo calls with exceptional audio through beamforming microphones for video conferencing and phone calls.

Detachable connection allows the AONIC 215 Earphones to attach to different cable accessories with an MMCX connection. Stay connected to any device, including airplane entertainment systems.

Premium headphone amplifier and support for multiple codecs including Qualcomm® aptX™, AAC and SBC.

Bluetooth® 5 wireless technology for enhanced stability and a range of up to 30 feet (10 meters). Pairs to phones, tablets and laptops for music and calls.

Onboard button controls for quick access to volume, playback and calls.

ShurePlus™ PLAY app allows you to customize your hardware EQ, button controls, Environment Mode and prompts. Free to download for iOS and Android.

Includes a two-year warranty, AONIC 215 Detachable Sound Isolating™ Earphones, True Wireless Secure Fit Gen 2 Adapter set, fit kit with a variety of sleeves for the perfect fit, premium charging case (not IP-rated), and USB-C charging cable.

Available in two color options (black, blue)
